AUDIO - VISUAL SERVICES

Audio Visual Services Cancún / México has an extensive range of services and high - end technology for Corporate Events in Cancún and The Mayan Riviera conducted by exceptionally talented and professional staff providing creative solutions in every single detail.

Our company started in early 2002 attending the Audio-Visual (Corporate, Congress, and Hotels segments) and during all this years we had made succesful events for our clients.

In 2021 we start operations in Houston TX & Miami FL so you also can trust in our services in USA.

OUR VALUES

IMPORTANT INFORMATION

Audio Visual Services Cancún / México has a commitment with you as our potential client and because of that our prices are way different than the AV companies that are inside the hotels, you must know that the prices that this companies or hotels give to you is because the hotel at the end of your event earns between 50 or 52 % of commision from the total AV service, so the same service from us is cheapper than this companies because we charge the real value and never will be hidden charges.

Our 23 years of experience will be delivery for you and your event.
